Dear Missionary Name,

As per your recent request, I am forwarding you the following letter of reference:

The ----- family and ----- family have been friends, as well as fellow laborers for years. We have been blessed by the ministry of ----- in our local assembly. In addition to their visiting here, we have been privileged to see the work of God in ----- first hand...as recently as this past Easter. As always, we were in awe of what God is doing through their efforts in the country of -----.

We solemnly can affirm, to those so inclined, that the ministry of the entire ----- family is purely Apostolic at it's core. We have *never* questioned their doctrinal, moral or financial integrity. We would encourage Kingdom Advance to partner with them. We know your support would be appreciated by the entire ----- family.

Over the years, we have witnessed the successful transition of Apostolic ministry within this family, from one generation to the next. We have NO reason to doubt that this will change now.

Thank you for considering to partner with them in missions.

Sincerely yours,
